

OCPS Academic Center for Excellence, A Community Partnership School

OCPS Academic Center for Excellence, A Community Partnership School is the hub of our community, a place focused on student success – in school and beyond.

As a first-of-its-kind preschool through eighth grade school serving students on one campus, OCPS ACE exemplifies our core belief that success of our students requires involvement of families and the community

You can expect:

- Increased student success
- On-site to health care and counseling
- A safe environment for students, parents and the community
- A place where students shine
- An advocate for students, parents and the community

Leading Students to Success

Programs and services offered build on daily classroom learning and include the following:

- Tutoring and mentoring programs
- On-site medical and dental service
- On-site counseling and case management services
- High-quality pre-school program on site
- Before-and-after school services
- Athletic and arts programs
- Cultural enrichment activities
- Education and counseling on nutrition, exercise and healthy lifestyle choices
- Summer programs

Serving Families

At OCPS Ace, we offer something no other school has in the community: A full-time Parent Resource Center, which allows you to play an active role in your child's education.

Here you will find a welcoming environment where you can access valuable resources and opportunities.

They include:

- Community education programs
- Parent and community outreach and support
- Leadership development activities
- GED assistance
