

Wilkinson Junior High School, A Community Partnership School

2021-2022 YEAR IN REVIEW

Wilkinson Jr. High School, A Community Partnership School is the hub of our community, a place focused on student success – in school and beyond.

Did you know? Wilkinson Jr. High School is now a UCF-Certified Community Partnership School! UCF Certification is an honor that represents years of work focused on changing the trajectory of students' lives by addressing barriers to learning. We connect students and families with programs and services that build on daily classroom learning. Students can participate in after-school activities and receive onsite services from health care and mental health counseling to tutoring, mentoring and more!

The foundation of the Community Partnership Schools model rests upon the Four Pillars to success: Wellness Supports, Expanded Learning, Family & Community Engagement and Collaborative Leadership.
