

CHRISTMAS 2023 IS COMING!!!

Children's Home Society of Florida is excited to prepare for our annual Christmas "Wish Card Drive" helping local kids in various CHS programs. Because of donors like you who enjoy purchasing a special gift (or gifts!) and delivering them to the CHS office, these children can experience the joy of the holiday season.

Our goal is to provide more than 1,000 kids in the four-county area with something special just them. Our wonderful team of social workers, case manager and out-reach members work directly with families to identify the child top three wish-list items. While there is no requirement to get all three requested items, we ask that your donation have a minimum value of \$50.

When bringing your gift to the CHS office, please ensure the items are **un-wrapped, but in a holiday gift bag by Friday, December 15th**. It is important to attach the wish card for the child to the holiday bag. Also check to see if the gift requires batteries and consider adding to the bag. If you are purchasing a bike or a scooter, remember to include a helmet for safety concerns.

No time to shop? We got you! You are welcome to make a donation, and our team members will pick out the perfect present. Donations can be made online or by a check made payable to Children's Home Society of Florida with "Holiday Wish Drive" made in the note area.

On behalf of everyone at Children's Home Society of Florida, we thank you and wish you a peaceful and joyous holiday season!
