

Miami Southridge Senior High School, A Community Partnership School

Miami Southridge Senior High School, A Community Partnership School is the hub of our community, a place focused on student success – in school and beyond.

Leading Students to Success

We connect students with programs and services that build on daily classroom learning. Students can improve academically, participate in after-school activities and receive onsite services from health care to tutoring.

A snapshot of our services includes:

- Mentoring
- Onsite health care and counseling
- Free after-school programming
- Cultural enrichment
- Student Leadership Opportunities

Serving Families

At Miami Southridge Senior High School, we offer something no other school has in the community: A full-time Parent Resource Center which allows you to play an active role in your child's education.

Featured resources:

- After-school family programs
- Food and clothing assistance
- Connections to Community Resources
- GED classes and support

Partnership in Action

"I have been blessed with the opportunity to be part of a Community Partnership School and Project Upstart, which has been an awesome support for me throughout the last four years. This helped me through a time period where my sister and I were homeless, assisted me with getting all I need for college, and supported me to fill in the gaps in times of need when I lost my mother.

I am going to Penn State this August and I'm so happy that I have continued support from programs and services that love students and want to see them flourish. With this support, I now have two sponsors who will continue to help me as I begin my studies to be a neurosurgeon. I will make sure to visit Southridge whenever I am back in Miami.

I am forever grateful for all the help that the Community Partnership School has given me."
