## Help Create Brighter Futures for Florida's Children

Children's Home Society of Florida believes every child deserves the chance to thrive—and every family deserves support to overcome life's toughest challenges.

Too many families are facing overwhelming obstacles. But with your help, they won't have to face them alone.

Your commitment will help keep more children safe, supported, and with their families. By empowering parents with tools, guidance, and encouragement, we can make it possible for them to raise their children in safe, nurturing homes.

**This is your opportunity to be part of real, lasting change in your community!**

Latoya was the inspiring guest speaker at our 2025 luncheon, where she shared her powerful personal journey.

Through compassionate, preventive services she received from CHS, Latoya was able to keep her growing family together while pursuing her education and building a meaningful career.

Today, she brings that same spirit full circle as CHS's Mentoring Program Manager, helping others find hope and opportunity just as she did.
