2026 INSPIRE GALA

Every CHS child inspires us with their resilience, tenacity, and hope. Inspire Gala is our night, as the Tampa Bay community, to say, “We see you and we’re with you.” Join us as we raise critical funds to support these children and their families with an inspiring evening filled with food, drinks, entertainment, and impact

When you attend the Inspire Gala, you’re helping open doors to safety, stability, and opportunity for children and families in our Tampa community

Funds raised through the Gala allow us to meet Florida families at the crossroads of their struggles and successes to empower them to overcome challenges before they turn into crises. With your support, we deliver a “cradle to career” approach – meeting children and families with the right solutions at the right time, no matter where they are in life.

The Inspire Gala brings together our Tampa Bay community for an evening affair to support the children and families in our own backyard. Your sponsorship of this impactful event highlights you and/or your company’s commitment to providing solutions that change entire life trajectories for children, families, and the entire community.

Event revenue benefits CHS’ services and solutions, including counseling, family literacy through our regional partnership with New Worlds Reading initiative, and supporting and increasing our Community Partnership Schools throughout the region. Our Community Partnership Schools include, but are not limited to, Manatee Elementary and Daughtrey Elementary Schools in Bradenton, Mort Elementary in Tampa, and our newest school, Buchanan Middle, in Tampa, with more schools being planned!

Thank you for making a difference in the lives of children and families by joining us as a sponsor of the Inspire Gala!
